Lesson Plan Framework

Subject Area: Essential Skills and Strategies (ESS) **Grade Level: 9-12**

Student Name: Grace Dittman

Domain I: Planning and Preparation	
PA Standard(s): • PA Career Education and Work Standard 13.3.11.B: Analyze the role of self-advocacy and professional communication skills in personal and academic success.	
Essential Question(s): Students will consider and reflect on throughout the lesson: • How do I write a clear, professional email to communicate with important people in my life? • Why is self-advocacy, sharing my strengths and areas I want to grow in, important for my success?	
Objectives/Performance Expectations What will students know and be able to do as a result of this lesson? • Students will write a student-led email to their case manager, parent(s), and ESS teacher using the provided template. • Students will include a subject line, greeting, body (one strength and one growth area), and a screenshot of their PowerSchool grades in their email. • Students will use a word bank to compose an appropriate greeting and closing. • Students will proofread their email using a provided checklist before sending. • Students will organize their inbox by deleting old emails or replying to any that need a response.	
Assessment Evidence/Level of Learning Students will show what they know by evidence of/list names of formative or summative checks, quizzes, tests which indicate evidence of learning: • Completed, sent email checked against template requirements (subject line, greeting, body with strength/growth area, grade screenshot)	**Differentiated Instruction**: Modifications in instruction and assessment for students with learning differences, specifically those with 504's and IEP's. Extensions/Enrichment in instruction and assessment for students who are above grade level and/or gifted. • Physical copy and online/digital copy of the email template both provided so students

• Completed proofreading checklist • Completed inbox organization checklist • Progress on missing assignments during remaining work time	can use whichever format supports them best • Word bank provided for greeting and closing language • Proofreading checklist scaffolds self-editing (subject line present, greeting/closing used, screenshot attached, etc.) • Inbox organization checklist scaffolds the closing routine (delete old emails, reply to any needing a response) • Teacher/aide support available for typing, taking the PowerSchool screenshot, or navigating email

Domain II: Classroom Environment:

Describe Classroom/Behavior Management Plan & Routines

• Visual schedule displayed showing today's routine

• Consistent daily routine: check-in → warm-up → student-led email → inbox organization → missing work time

• Clear expectations reviewed for professional/appropriate use of school email

• Positive reinforcement for completing the self-advocacy email independently

Domain III: Instruction

Activate Prior Knowledge/Motivation:

• (0-5 min) Students enter and complete their daily check-in.
• (5-20 min) Warm-up group activity: Wordle, Contexto, or the Sets game.

Materials Needed:

• Visual schedule
• Daily check-in sheet or digital tool
• Wordle/Contexto/Sets game
• Physical copy of the student-led email template
• Online/digital copy of the student-led email template
• Word bank handout (greetings and closings)
• Email proofreading checklist
• Inbox organization checklist
• Devices with access to student email (starred email to reply all to) and PowerSchool
• Individual missing-assignment list per student

Vocabulary (New or Review):

- Self-advocacy — speaking up for your own needs and progress
- Subject line — a short summary of what an email is about
- Greeting/closing — the opening and ending of an email
- Proofread — checking your work carefully for mistakes before submitting

Sequence of the Lesson:

What learning activities/strategies will you use to engage the students in the learning? What will students do to use and apply new concepts or skills (independent practice if relevant)? How will you monitor and guide their performance? Include relevant vocabulary. Use bullets to sequence your lesson.

- (20-50 min) Students draft their student-led email using the physical or online template, replying all to their starred email. Email includes: a subject line, a greeting (using the word bank), a body with one thing they are proud of and one thing they want to work on, and a screenshot of their current PowerSchool grades.
- (50-60 min) Students proofread their email using the checklist (subject line, greeting/closing, screenshot attached, etc.) and send it.
- (60-70 min) Students use the inbox organization checklist to delete old emails or reply to any that need a response.
- (70-90 min) Students work on any missing assignments

Closure: What will you do to bring closure to the lesson? How will you summarize this lesson and preview the lesson that will follow?

- Quick check-out: did you send your email? How do you feel about the strength and growth area you shared?
- Preview that next week will follow the same daily routine.

Reflection Guidelines

The student will write lesson plans with an eye to the Danielson Framework and the Four Domains of Professional Practice. Use this as a resource when writing lesson plans.

Domain I Planning and Preparation

1. How do you know you were knowledgeable of your content?
2. What is the evidence that your objective was clear in the lesson plan?
3. How does the lesson address individual student learning needs?
4. What variety of strategies and methodologies did you consider when planning?
5. What is the evidence that lesson components were logically sequenced?
6. How did your lesson plan include checks for student understanding?
7. What PA Standards did this lesson address?

Domain II Classroom Environment

1. How did students know the behavioral and academic expectations for the lesson?
2. What effective routines and procedures did you implement for lesson efficiency?
3. How did you insure the classroom was physically accessible for all learners?
4. What evidence indicates that respect was shown between and among students and teacher?
5. What evidence indicates that students placed a high value on quality participation, process, and product?
6. How do you assess if the lesson was attainable for all students but also had appropriate rigor?

Domain III Instructional Delivery

1. How did you align your lesson to PA Standards?
2. How did you insure a clearly stated objective, understood by learners?
3. How did you provide clear explanations as to how to proceed through the lesson?
4. What questioning and discussion techniques insured all-learner participation?
5. What strategies did you employ to engage all students?
6. Describe how you made the content meaningful due to sequencing and pacing.
7. Discuss how you checked for understanding, provided feedback, retaught.
8. What is the evidence that you were you flexible and responsive to the needs of the learners?
9. Describe how you made meaning of the lesson with some form of closure activity.

Overall Assessment

Briefly state any changes you will make the next time you teach this lesson or activity, to improve any of the Domains of Professional Practice.
